

# Childcare Consulting with Nanniest

Nanniest pairs you with a dedicated childcare consultant who will help your family explore, understand, and begin the process of selecting a professional childcare solution. We can't wait to meet your family and help you find an excellent childcare provider.

## **Step 1: To start your childcare consulting process**

Select Nanniest's Advisor+ services through the link provided by your HR team, or hosted on your internal benefits page.

## **Step 2: Initial kickoff meeting and resource access**

Schedule an hour-long meeting with your Consultant, who will get to know you and your family, discuss your needs, and help you set expectations for your childcare provider search process.

## **Step 3: We continue supporting you**

After you've kicked off with your Consultant, you'll have access to your Nanniest Parent Portal, resources and templates, and ten more 30-minute meetings with your Consultant as you search for the right childcare provider.

**Questions?** Please reach out to your benefits team contact, or email us at [hello@nanniest.com](mailto:hello@nanniest.com)
